These will be well communicated to any affected students. If necessary, the Policy will be subject to interpretation by the Principal with any outcomes being retained for audit record purposes.

For the 2023-24 academic year students pursuing higher education with University Centre Weston (UCW) will be classed as one of the following:

UCW students are subject to the following financial regulations:

Tuition fees for Higher / Degree Apprenticeships are based on the appropriate banding as set out by the Department for Education / ESFA. The tuition fees for Degree and Higher apprentices will be agreed with the employer; and will usually be paid monthly throughout the duration of the course by the employer. Further information regarding the fees for a higher and degree apprenticeships will be given at the point of application in consultation with the relevant employer. If there is not an agreement in place with the employer regarding payment of fees at the point of enrolment, then the student will be deemed as self-funding and will be required to make arrangements for payment themselves.

- Fees for the modular HE Short Courses are normally pro-rata the full-time fee for new students (£8,900 in the 2023-24 academic year) based on the number of credits for that course. For example, a 40 credit Short Course fee would be £2960.
- The Fees would not be higher than the pro-rata full time fee.

Payments

FEES POLICY 2023-24

Most students will be able to access Tuition Fee Loans via the Student Loans Company (SLC) – the SLC letter must be provided at the time of enrolment. If the SLC letter is not available at enrolment students will be invoiced; invoices will be cancelled as soon as the SLC letter is provided to UCW. It is the students’ responsibility to present this letter to the Higher Education Academic Registry Team (HEART).

Sponsored/self-funding students may opt for one of the following for payment of fees:

- Full payment at enrolment.
- Instalment plan – set up through the Weston College Group online shop.
- To be invoiced – students can make payments against the invoice throughout the year via the online shop. The invoice amount must be paid by the end of the academic year.

Sponsored students will need to bring in a letter or purchase order from their sponsor confirming that they are paying the fees to claim payment. If students do not have an authorising letter, then an invoice will be raised in their name.

Withdrawals

Students who leave during the academic year will be expected to pay the following tuition fees:

Withdrawal date:	Fee Liability
Less than 2 weeks after enrolment	Nil
Before the end of the first term	25% of the full tuition fees
Before the end of the second term	50% of the full tuition fees
After the start of the last term	100% of the full tuition fees

If a student withdraws less than two weeks after enrolment, then they may be subject to a one-off administration fee of £150.

Retake Costs

1. Students who have been allowed to trail a module(s) into the next academic year, along with their other scheduled modules, will not be subject to any additional fee liability.
2. Students who are retaking the year will be liable to a pro-rata fee based on the size of the module(s) being undertaken.
3. Students who are having an additional attempt at a module but who will not be in attendance during the academic year (and those classed as ‘exam only’) will be subject to an administration fee of £200 per module.

Scholarships

UCW has several Scholarships that some students can apply for before the deadline of the 13th October 2023. Eligibility will be assessed on an individual basis and students need to meet certain eligibility criteria, such as level of attendance (above 80%) and paying tuition fees via the Student Loan Company, or through self-funding means. Students that are not paying their fees themselves (sponsored by an employer or a Higher/Degree Apprentice) are not eligible for a Scholarship with UCW.

Students paying their tuition fees to UCW directly may be eligible for a UCW Bursary. Students that are paying a tuition of £8,900 through a Tuition Fee Loan and have a household income of less than £25,000, will automatically be eligible and will then be assessed by the Student Loans Company, providing they consent to share financial information with UCW on their application.

Fifty Bursaries of £2,000 will be available (payable across two years of study) and eligibility will be assessed on an individual basis (attendance must be above 80%). Priority will be given to those experiencing multiple factors of deprivation including:
