

Hungry Caterpillar

Materials Needed to make a cress seed caterpillar

- Eggshells, clean and dry.
- Cress Seeds
- Paints
- Water
- Cotton Wool
- Play dough

1. Decorate the eggshells with your chosen design.
2. Roll some little balls of playdough to make caterpillar legs, and attach four to the bottom of the egg shells.
3. Submerge some cotton wool in water and place a piece inside the eggshells.
4. Sprinkle a teaspoon of cress seed onto each one.
5. Place your caterpillar in a warm sunny spot.
6. Check it daily, if the cotton wool looks dry, add some water.
